pursuant to PA 85-879

MOTION TO AMEND FILING OF REQUEST FOR APPROVAL
OF CONTENT OF ENCLOSURE 02-1

After consultation with ICC staff, the Citizens Utility Board ("CUB"), by its Associate Director, Patricia Clark, submits a Motion to Amend the Filing of Request for Approval of Content of Enclosure 02-1, pursuant to PA 85-879 and in support thereof states:

- 1) The first sentence of the first paragraph of the letter will read as follows: "Are you fed up with paying high phone bills?"
- 2) The statement in the first bullet of the enclosure will be changed to read as follows: "The 'Federal Access Charge' and the 'Interstate Access Charge' may sound like taxes, but every cent goes to your local phone company—not the government."
- 3) The statement in the second bullet will be changed to read as follows: "Instead of saving you money, some of Ameritech and Verizon's special pricing plans can raise your phone bills."
- 4) The statement in the third bullet of the enclosure will be changed to read as follows: "Ameritech and Verizon may charge you more to call a town 17 miles away than some long distance companies charge to call across the country."
- 5) The statement in the fourth bullet of the enclosure will be changed to read as follows: "Some of Verizon's home exchanges are so small that many customers can't even call their children's schools or their place of work without paying extra charges."
- 6) The first statement on the reply device panel will read as follows: "YES! I am fed up with Ameritech, Verizon and the other phone companies trying to pull the wool over my eyes."
- 7) The first sentence of the disclaimer at the bottom of the reply device will be changed to read as follows: "This insert is not paid for with tax dollars."

WHEREFORE, CUB respectfully requests that the Commission approve the content of enclosure 02-1.

Respectfully submitted,

Patricia Clark
